...in all we do

A Kentucky native, **Dr. Rebecca Terry** was born in Cadiz, KY, and grew up in northern Indiana. She graduated from Transylvania University in 1976 and then attended and graduated from the University of Louisville School of Medicine in 1980.

Her residency training was at the University of Oregon in Portland, OR, which she completed in 1984. Her board certification was in 1986 and re-certification was done in 1996, 2004, 2005 and 2006, 2007, 2008 and 2009.

Dr. Terry was one of the founding partners of Women First of Louisville PLLC in 1988. Her current practice focuses on gynecology. She is a Fellow of the American College of Obstetricians and Gynecologists and a member of the Kentucky Medical Association, Jefferson County Medical Association, American Medical Association and the Louisville Obstetrical and Gynecological Society. She is also certified in clinical Bone Densitometry and has been named in Louisville Magazine as one of Louisville's "Top Docs." In 2010 Dr. Terry was named by Louisville Magazine as one of Louisville's "Top Surgeons."

Her special interests include laparoscopic surgical procedures, conservative management of uterine bleeding problems, diagnosis and treatment of abnormal pap smears, management of menopause and perimenopause, treatment and prevention of osteoporosis and preventive health care services.

*“I want to make sure that women have life quality at every age. My role should be one of education, making sure my patients have all options clearly outlined as they make decisions regarding their health.”*

**Women First**
